

UPLOADING WORKSHOP DATA INTO USER SPACE ON VHUB

University at Buffalo

15-17 March , 2016

1. First log in to your account at vhub.org
2. In your account, go to My Tools bar and select All Tools tab.

The screenshot shows a web browser window displaying the vhub.org member dashboard for Hossein Aghakhani. The browser's address bar shows the URL <https://vhub.org/members/myaccount>. The page has a dark navigation bar with the following menu items: HOME, MEMBERS (highlighted in red), RESOURCE WAREHOUSE, EXPLORE, SUPPORT, ABOUT, and Help! Below the navigation bar, the user's profile information is shown: Hossein Aghakhani, Dashboard, and an Add Modules button. The dashboard is divided into several sections:

- My Tickets:** Includes a '+ New Ticket' button and three sections: 'Tickets I Submitted', 'Tickets Assigned To Me', and 'Tickets On My Contributions', all of which state 'You have no active tickets at this time.'
- My Sessions:** Shows a 'Workspace' section with a dropdown arrow.
- My Tools:** Features tabs for 'Recent', 'Favorites', and 'All Tools' (which is selected). A search bar is present. The list of tools includes: Arithmetic Demo, AshCalc, Bent - Atmospheric Plume Analysis, CFU, and CFU-PINGU. Each tool has a heart icon and a checkbox.
- Resources:** A list of resource categories: Educational Materials, Courses, Data Sets/Collections, Miscellaneous, Offline Tools, Online Simulation Tools, Presentations, and Publications.
- My Contributions:** Includes a '+ Start a new contribution' button and a message: 'No contributions found.'

The left sidebar contains navigation options: Dashboard (selected), Profile, Account, Groups, Contributions, Usage, Messages, Blog, and Citations. The bottom of the browser shows several open PDF files: 'Rheolog....pdf', 'Plume_s....pdf', and 'UB.jpg'. A 'Show all downloads...' button is visible in the bottom right corner of the browser window.

1. First log in to your account at vhub.org
2. In your account, go to My Tools bar and select All Tools tab.

- My Contributions:** Includes a '+ Start a new contribution' button and a message: 'No contributions found.'

The left sidebar contains a navigation menu with options: Dashboard (selected), Profile, Account, Groups, Contributions, Usage, Messages, Blog, and Citations. The bottom of the browser shows several open PDF files: 'Rheolog...pdf', 'Plume_s...pdf', and 'UB.jpg'. A 'Show all downloads...' button is visible in the bottom right corner of the browser window.

3. In All Tools tab select workspace and launch a new workspace.

The screenshot shows the Vhub website interface. At the top, the navigation bar includes 'HOME', 'MEMBERS', 'RESOURCE WAREHOUSE', 'EXPLORE', 'SUPPORT', and 'ABOUT'. The user's profile 'Hossein Aghakhani' is visible, along with a 'Dashboard' button. The main content area is divided into several panels:

- My Tickets:** Contains sections for 'Tickets I Submitted', 'Tickets Assigned To Me', and 'Tickets On My Contributions', all with the message 'You have no active tickets at this time.'
- My Tools:** A list of tools including 'Tephra2: Student Version', 'Titan2D Mass-Flow Simulation Tool', 'Titan2D Viewer', 'Tritone', 'Wind Reanalysis', and 'Workspace'. The 'Workspace' tool is highlighted with a red heart icon and a tooltip that says 'Launch Workspace'.
- Resources:** A list of resource categories: 'Educational Materials', 'Courses', 'Data Sets/Collections', 'Miscellaneous', 'Offline Tools', 'Online Simulation Tools', 'Presentations', and 'Publications'.
- My Contributions:** A section with a '+ Start a new contribution' button.

The browser's address bar shows the URL 'https://vhub.org/tools/workspace/invoke/?'. The taskbar at the bottom displays several open files: 'Rheolog...pdf', 'Plume_s...pdf', and 'UB.jpg'.

4. You can import data to your space in two ways

- First way is to write the following command in terminal window in your workspace:

```
https://vhub.org/resources/3963/download/UQ\_workshop.tgz
```

- The other way is to upload your data via the file transfer application.
- To do, that you first need to download the workshop data from the given url in previous slide or from Resource Warehouse/All Posted Resources:

The screenshot shows the Vhub website interface. The top navigation bar includes 'HOME', 'MEMBERS', 'RESOURCE WAREHOUSE', 'EXPLORE', 'SUPPORT', and 'ABOUT'. The 'RESOURCE WAREHOUSE' menu is open, listing options such as 'Add Contribution', 'Online Simulation Tools', 'All Posted Resources', 'Courses', 'Data Sets/Collections', 'Educational Materials', 'Miscellaneous', 'Offline Tools', 'Presentations', 'Publications', 'Workshops', and 'IAVCEI'. The 'All Posted Resources' option is highlighted in red. Below the menu, there is a search bar and a list of resources. The resources listed include:

- NEW UQ workshop tuts and hands on in Offline Tools, 14 Mar 2016
- NEW UQ workshop tuts and hands on in Offline Tools, 11 Mar 2016
- NEW TTD in Offline Tools, 04 Mar 2016
- NEW FALL3D-7.1: A computational model for transport and deposition of tephra
- MAR 15 Uncertainty in the Geosciences: A Workshop on Hazard Analysis
- MAR 30 The 1st International Conferences and 5th International Workshops on Volcanic Hazard Mitigation

There is also a 'Public K-12 University Professional' banner with a 'Learn more >' link. The bottom of the page shows a taskbar with several PDF files and a 'Show all downloads...' button.

- UQ Workshop tut and hands on

The screenshot shows a web browser window displaying the VHub website. The page title is "Resources: All". The VHub logo is at the top left, with the tagline "Collaborative volcano research and risk mitigation". The user is logged in as "Hossein Aghakhani (agkhani)". The navigation menu includes "HOME", "MEMBERS", "RESOURCE WAREHOUSE" (highlighted), "EXPLORE", "SUPPORT", and "ABOUT".

The main content area shows search results for "UQ workshop tuts and hands on". There are two results listed:

- UQ workshop tuts and hands on**
14 Mar 2016 | Offline Tools | Contributor(s): Abari Patra | 0.0 out of 5 stars
- UQ workshop tuts and hands on**
11 Mar 2016 | Offline Tools | Contributor(s): Abari Patra, Hossein Aghakhani | 0.0 out of 5 stars

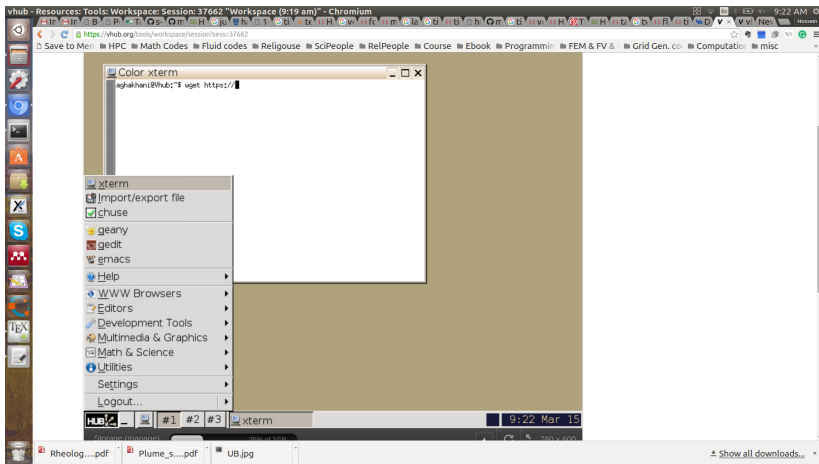

On the right side, there is a "Find a resource" section with instructions: "Use the sorting or filtering options to sort results and/or narrow down the list of resources. Use the 'Search' to find specific resources by title or description." Below this is a "Popular Tags" section with tags: "Ashfall Graduate Class", "civil protection", "Colombia", "DEM", "Disaster Zone", "Eya/jalajokull", and "IAVCEI".

The browser's address bar shows "https://vhub.org/resources/browse" and the taskbar at the bottom shows the URL "https://vhub.org/resources/3960" and several open PDF files.

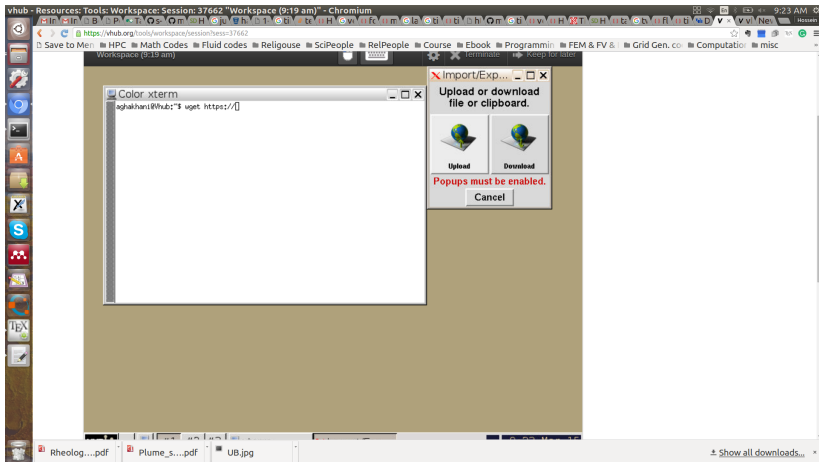

- Download from here:

The screenshot shows a Chromium browser window displaying the vhub.org website. The address bar shows the URL <https://vhub.org/resources/3960>. The page title is "UQ workshop tuts and hands on" by Abani Patra, from the University at Buffalo, SUNY (UB). A red button labeled "Download (.tgz)" is visible, with the filename "UQ_workshop.tgz" shown below it. A Creative Commons license icon is present with the text "Licensed according to this deed". On the right side, there are statistics: "0 Citation(s)", "0 review(s) (Review this)", and "0 wish(es) (New Wish)". A "See also" section below indicates "No results found." At the bottom, a citation box provides the following text: "Abani Patra (2016). 'UQ workshop tuts and hands on,' <https://vhub.org/resources/3960>." Below the citation box, there are download icons for "BibTeX" and "EndNote". The browser's taskbar at the bottom shows several open PDF files and a JPEG image.

- Then upload the tgz file from import/export file application in HUB menu:

- After uploading them you will find the file in your home directory.

THANK YOU ...
